Dear Parents,  
Greetings!

It has been observed that many of the students, who are being selected as monitors by the class teachers, are not regular and punctual.

Hence, The School may review their attendance and performance on various areas for the next month and will reselect the students as Monitors, who are punctual, attentive, regular, cooperative, Well disciplined ,well mannered and are good in Academics as well .

**Note: Students will be observed nattily and sharply.**
