SUMMER BREAK

Dear Parents,

Greetings !

Vacation plays a very important role in the academic Cycle- both for students and their teachers. It provides an opportunity to both of them to break free from the monotony that might creep in due to continuous teaching- learning activities. It is a time to relax, learn new skills, read new books, pursue hobbies etc. It is an opportunity to rejuvenate oneself.

In the present circumstances due to **COVID 19** and the context explained above, it is all the more important that the intent of summer vacation is realized not just in letter but in spirit too. **Hence, Taking the above lines into account and the Parents' Consistent requests in regards to the Summer Break , it is to notify you that the Students will have a Short Summer Break from 14th June 2021 to 26th June 2021 .**

All the Classes will resume from 28th June 2021.
