Very Important! - In regards to the Police Complaint

Dear Parents,

Greetings!

This is to bring to your notice that the school has noticed that some of the kids are sharing the Class links to their friends and as a result, the Online Zoom classes were disrupted by individuals spewing racist, misogynistic or vulgar content.

It is observed that irrelevant contents were shared with the group by some unwelcome users many times during zoom online classes. It has also been found that a few students/and their friends are seriously involved in the following below listed activities during online classes.

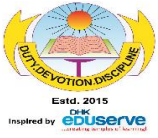

They are:

- Making indecent or obscene comments, suggestions, proposals or requests.
- Entering the Class groups with some other name without disclosing his/her identity but continuing the conversation.
- Abusing or making derogatory remarks over the telephone, WhatsApp Call.
- Remaining silent, playing intimidating music or breathing heavily to harass etc.

It has also been noticed and reported by the students (**Class X/XII**) that some unscrupulous persons impersonating themselves as officials of Sunbeam school are contacting students and demanding roll no expressing certain urgencies. some reported that this unwanted caller has even demanded money to increase marks, convincing them to disclose their personal details and financial information, threatening them with negative consequences if they do not comply etc.

Therefore, taking such regular disruption into account the school has decided to report the same to the **Cybersecurity Officials** and to the **Superintendent of police** with all the screenshots containing derogatory and vulgar comments, Phone number details etc.

Parents are requested to ensure and report to the school office immediately in case they come across to know that such kind of activity is being done by their ward or his/her friends. The school will resolve the issue internally and students' names will not be disclosed. Failing to report such an incident will have an adverse effect on a student's career.

Sunbeam School, Robertsganj

Please note that if at a later stage any student is found to be involved in such mischievous activity, the school will not be held responsible by any means and will not intervene in any way on the process and investigation taken by the Police officials.

As it is usually reported by the teachers and students that those disturbing behaviours in the classroom are intolerable and stress-provoking and they had to spend a great deal of time and energy to manage the classroom.

Student misbehaviours retard the smoothness and effectiveness of teaching and also impede the learning of the student and his/her classmates. It escalated with time and lowered academic achievement and increased delinquent behaviour. **Hence taking such mischievous activities into account to lessen these immediate and gradual adverse effects of student misbehaviours, the school will take online sessions for classes IX to XII through School App linking the Students G-suit (Gmail id) that redirect the classes through Google meet. W.e.f. 30.07.2021.**

Note: New Students will get G suit Id from school shortly.

All parents/Students are requested to avoid receiving call from this number: 8115272576.

Thanks & Regards,
