(Zoom Classes through School App)

Dear Parents,

A Very Warm Greetings from Sunbeam School, Robertsganj!

It has been noticed that many of the students are joining the classes through the **Zoom links** that usually we share through WhatsApp and are disturbing the classes by using abusive languages/Signs , Hence it has been decided to Conduct classes through School App Only with immediate effect .

Parents are requested to collect their **School id & password from the respective Class Teacher** and to let the students Join the live classes through the App only. Through app we can easily keep track upon the attendance as well .Kindly use the **School App to join the live Classes.**

Please note that through WhatsApp we shall be sharing you all the Classroom Information but without **Zoom link** . To join the live class a student has to login through the **School app only.**
