DECADES OF
EDUCATIONAL
EXCELLENCE

The background of the entire page is a photograph of a sunset or sunrise over a body of water. The sky is filled with vibrant orange, yellow, and blue clouds. In the foreground, there are silhouettes of people and structures. On the right, a person is silhouetted against the bright light, holding a small object. To the left, there are silhouettes of buildings and a large, ornate structure that looks like a traditional Indian temple or a large ceremonial chariot. The overall mood is contemplative and spiritual.

THOUGHT THAT ILLUMINATES THE SUNBEAM JOURNEY

देह शिवा बर मोहे इहै, शुभ करमन ते कबहुँ ना टरूँ
न डरों अरि सो जब जाइ लरू, निश्चौ कर अपुनी जीत करूँ
अरु सिख हों आपने ही मन कौ, इह लालच गुण तउ उचरों
जब आव की अउध निदान बनै, अति ही रन में तब जूझ मरों

O GOD, give me this boon, May I never ever shirk from doing good deeds.
That I shall not fear when I go into combat. And with determination, I will be victorious.
That I may teach myself this creed alone, to speak only of Thy (all mighty lord Waheguru) praises.
And when the last days of my life come, I may die in the might of the battlefield.

Mrs. Jagdish Rani Kaur

(Mrs. Deesh 'Ishrat' Madhok)

FOUNDER MOTHER OF SUNBEAM

10.09.1933 - 01.06.2003

Jai Hind!

I am Sunbeam!

Nearly six decades ago, a humble dream took root-one that has since grown into a guiding light of learning, inspiring countless young minds. I, Sunbeam, have not merely aged with time; I have evolved, growing wiser, clearer in purpose, more innovative, and unwavering in my commitment to education. As I look back, it feels like just yesterday when this remarkable journey began.

Picture a modest rented apartment in 1972. It was here, over cups of coffee and countless discussions, that Dr. Amrit Lal 'Ishrat' Madhok and Mrs. Deesh 'Ishrat' Madhok, two visionary educators, sowed the seed that would one day become me-Sunbeam. Their dream was audacious yet simple: to create a school that seamlessly married the ancient wisdom of Varanasi with a modern, forward-looking perspective. Inspired by St. Francis of Assisi's profound words, "A single sunbeam is enough to drive away many shadows," I was named **SUNBEAM**. My guiding motto, **Duty, Devotion, and Discipline**, would go on to light the path for every student and teacher who walked through my doors.

In those early days, the trust placed in me by the parents of just 32 students gave me the courage to begin. It wasn't always easy. Yet, with unwavering faith and relentless dedication, the small seedling blossomed. From those early, modest beginnings, I have flourished into a tree of knowledge that now spans **8 core schools, 4 hostels, 2 women's colleges, and a free school-Sunbeam Gramin School in Karsana**. With deep gratitude, I serve nearly 35,000 students today, while thousands of my alumni are contributing to a brighter India in various fields, both here and across the globe.

What has kept me rooted all these years is the enduring trust of the parents, the boundless enthusiasm of the students, and the tireless efforts of the teachers.

My journey is not just about education - it is a pilgrimage of the soul, where minds are nurtured to think critically, creatively, and compassionately. The hands that have shaped me over the years have lovingly guided me to become what I am today: Temples of Learning, where academic rigor and co-curricular pursuits intersect with humanitarian values and sustainable transitions.

As I stand strong, I reflect on the core that has remained untouched since 1972, even as I continue to evolve. The journey ahead is exciting, and I stand ready-steadfast in my commitment to adapt while remaining rooted in the ethos of Duty, Devotion, and Discipline.

As we march toward the centenary, I feel more alive than ever, ready to inspire the next generation of dreamers and doers. My heart overflows with gratitude for all who have walked alongside me on this incredible journey. To my Sunbeam family, congratulations on everything we've achieved together.

Let your inner Sun continue to shine, illuminating every corner of the world.

Jai Hind!

Late Mrs. Sartaj Kaur Ahluwalia, the first President of the Sunbeam Schools Society from 1974 to 1982 and her husband freedom fighter Late Mr. Bhagat Singh 'Jamke'

A MESSAGE FROM THE CHAIRPERSON

Dear Students, Parents, and Well-Wishers,
"Education is not the filling of a pail, but the lighting of a fire."

• WILLIAM BUTLER YEATS

Greetings from Sunbeam Group of Educational Institutions.

This quote by W. B. Yeats, captures the essence of our mission at Sunbeam School: to ignite the flames of curiosity, creativity, and critical thinking in every child. As we celebrate 54 years of transformative education, we reflect on how this guiding principle has shaped our journey in illuminating young minds across Eastern Uttar Pradesh. The vision and passion of our founders, Dr. Amrit Lal 'Ishrat' Madhok and Mrs. Deesh 'Ishrat' Madhok, have been the cornerstone of our achievements. Their dream of blending the best global educational philosophies with our rich cultural heritage has created an environment where every Sunbeam is encouraged to explore and realize their fullest potential. Throughout the years, Sunbeam Schools have played a vital role in nation-building by nurturing future leaders - defence officers, civil servants, doctors, engineers, athletes, lawyers, management professionals, social workers, and remarkable artists. However, our most significant accomplishment is instilling a strong sense of national pride through our daily greeting of 'JAI HIND,' which unites and motivates our community.

As we look ahead, our dedication to improvement remains resolute. We strive to elevate our educational standards and enrich the experiences we offer, ensuring that each generation of students is well-equipped to leave their mark on the world.

Thank you for your steadfast support and commitment.

DEEPAK MADHOK
CHAIRPERSON

FROM THE VICE-CHAIRPERSON'S DESK

Dear Sunbeam Family and Parents,

As we reflect on our incredible journey from 32 students in a rented apartment in 1972 to 35,000 students in 2024, we are filled with pride and gratitude. Sunbeam Schools have grown tremendously, and this progress is a testament to our unwavering vision: to provide our students with nothing but the best, preparing them for a future that is both unknown and full of potential.

Starting in Varanasi, we dreamt of a global perspective, not confined by borders. We introduced leading educational pedagogies into our Sunbeam curriculum and engaged top trainers and organizations to enhance our teaching standards. Our students had the unique opportunity to interact with peers from around the world, nurturing their aspirations to become true global citizens.

At the heart of our approach is the belief that learning should be enjoyable and that a happy child will naturally excel. This philosophy has guided us through every milestone.

Today, our education leaders are celebrated globally, our students continually achieve accolades, and our teachers are recognized as the best in their field. These achievements confirm that Sunbeam is on the right path.

While we celebrate how far we've come, we remain excited for the future. The best is yet to be!!

Warm regards,

BHARTI MADHOK
VICE-CHAIRPERSON

INSIGHTS FROM THE DIRECTOR

Dear Parents, Students, Staff members and Parental community at large, "Perfection is not attainable, but if we chase perfection, we can catch excellence." This adage perfectly encapsulates the ethos of Sunbeam Schools. From our inception, we have embraced this philosophy by focusing diligently on the details that truly matter. This meticulous attention to both big and small aspects is what sets us apart and drives our success.

Sunbeam Schools have always been dynamic and adaptive, open to change and continuous improvement. Our commitment to integrating best practices from not just around the world but also practices and methodologies which have been incorporated from our own experiences and expertise is reflected in our evolving approach as reflected in the Sunbeam Precept (our curriculum). We encourage a culture of inquiry, where questioning and reflection are integral to our growth. This mindset has allowed us to leverage technology effectively, enhancing our teaching methods while maintaining a strong focus on social-emotional learning.

We understand that education is not just about academic achievements but also about fostering emotional well-being. Thus, we have designed our school routines to support both our students' and staff members' emotional health, ensuring a nurturing and enriching school environment.

At Sunbeam Schools, we view success as a continuous journey rather than a destination. We remain committed to evolving and improving, striving for excellence in all that we do.

Warm regards
AMRITA BURMAN
DIRECTOR

REFLECTIONS FROM THE ASSISTANT DIRECTOR

Dear Students and Parents,

Children possess an extraordinary ability to surprise us with their creativity and fresh perspectives. Every generation brings forth new ideas that challenge norms and inspire change. As we stand at the threshold of another chapter in our journey at Sunbeam, it is this very spirit of our young minds that ignites our excitement for the future.

At Sunbeam, we have always embraced evolution, adapting our approach to align with the ever-changing landscape of education. With our commitment to nurturing innovative thinkers, we strive to create an environment where students feel empowered to express their thoughts and aspirations. Our institution is more than just a place of learning; it is a sanctuary for ideas that blossom into impactful actions.

As we move forward, I am filled with anticipation for the transformative contributions this new generation will make. Together, we will write the next chapter of Sunbeam, guided by the insights and imaginations of our children. Their enthusiasm fuels our dedication, reminding us that education is a collaborative adventure, one that we are honored to embark on together.

Warm regards,
PRATIMA GUPTA
Assistant Director

VISION FOR THE WAY FORWARD FROM THE HONOURARY DIRECTOR

Dear Sunbeam Family,

At 54 years old, the Sunbeam Group is brimming with youthful energy and an insatiable curiosity for change. Despite our glorious history, we embrace each opportunity to innovate and evolve with excitement. Our spirit is one of exuberance, enthusiasm, and progressiveness—traits that define our approach to education.

Academic success, athletic excellence, and artistic brilliance are all vital to us. Equally important is fostering an open mind, welcoming diverse ideas, and nurturing creativity. Our classrooms and laboratories are dynamic spaces where students and teachers collaborate, explore, and create concepts that leave a lasting impact.

Today, Sunbeam is celebrated not only across India but around the world as a beacon of progressive education. This global recognition is a testament to our journey and achievements. As the flag bearer of Sunbeam's onward journey, I am thrilled to carry forward this legacy, leading us into an exciting future.

Here's to the next decade of growth, innovation, and continued excellence! Looking forward to your presence and wishes in this journey!

The Sunbeam School VISION

Ongoing consolidation, growth and collaboration within and across institutions that are instrumental in holistic growth of students, in a conducive environment, that promotes excellence and the students further move on to refine the social fabric.

JAI HIND A PROUD TRADITION AT SUNBEAM

"Jai Hind" - Victory be to my India. At Sunbeam, this phrase transcends mere words; it embodies our essence and guides our actions. Every Sunbeam embraces the principles of "Jai Hind," weaving patriotism into their lives.

In our schools, **"Jai Hind"** is not just a greeting but a way of life. It reflects the heartfelt dedication of our students, who proudly stand for their country in every endeavor.

Jai Hind is a call to action, motivating our students to contribute meaningfully.

Jai Hind is a celebration of our diverse culture, uniting peers as proud citizens of our nation.

Jai Hind is a commitment to excellence, inspiring students to strive for their best.

Jai Hind is a reminder of our rich heritage, encouraging values that matter.

Jai Hind is a vision for the future, empowering youth to lead with integrity and creativity.

"Jai Hind" resonates in the hearts of every Sunbeam, reminding us of the values that unite us. With their caliber, creativity, and confidence, they will enrich the fabric of our society, transcending caste, color, creed, or differences, and creating a nation that thrives and prospers.

THE STORY OF THE SUNBEAM IDENTITY

- THE SUNBEAM CIPHER -

Jai Hind!!

I am Sunbeam!!

The moment you embrace me, I become your thought, your vision, your guiding light. I illuminate your path and accompany you on your onward journey, one filled with purpose and potential. Conceived in 1972 with the establishment of Sunbeam, my journey has been a tapestry of growth, resilience, and unwavering commitment. "A single sunbeam is enough to drive away many shadows." Each of my countless rays - my cherished Sunbeams - are shaping the destiny of humanity. They embody the spirit of **Duty** towards self, society, and nation; the heartfelt **Devotion** to righteous work; and the steadfast **Discipline** to stay true to their values, resisting the temptations that life may present.

Every Sunbeam is an open book, their pages filled with transparency in thought and action. They affirm their honesty and embrace the beauty of learning, always keeping their slates clean, ready to absorb new lessons and evolve with grace.

- **The RED** in me radiates youthful energy and vigor, transforming passion into meaningful achievements.
- **The BLUE** embodies trust, loyalty, wisdom, and confidence. It reflects the intelligence and faith that fuel a never-ending quest for perfection and excellence.
- **YELLOW**, the color of sunshine, symbolizes hope and happiness—warmth that Sunbeams spread far and wide, lighting up the world around them.

So, I invite you to become a Sunbeam and carry forward my legacy. Shine brightly each day, illuminating the lives of those around you, and let the world bask in your reflected glory.

In every Sunbeam institution, each student and alumni proudly carries the title of SUNBEAM, a beacon of light and inspiration for all.

Sunbeam
GROUP OF EDUCATIONAL INSTITUTIONS • VARANASI

W H E R E

AGELESS WISDOM IGNITES CONTEMPORARY LEARNING!

Sunbeam Schools were founded with the vision of seamlessly blending ancient traditions with modern aspirations. Throughout our journey, we have remained deeply rooted in our heritage, drawing wisdom and inspiration from it, even as we evolve in response to a rapidly changing world.

At the heart of the Sunbeam Precept lies the wisdom of dedicated educators whose deep insights have shaped our curriculum. While we continuously embrace new ideas and innovative methodologies, our commitment to our roots remains steadfast, for it is our heritage that grounds us, providing both strength and guidance.

This seamless balance between tradition and modernity positions Sunbeam as a true leader in education, where young minds are nurtured with the right mix of values and innovation, preparing them to thrive in a constantly changing world.

Our prospectus is a heartfelt tribute to the educators whose principles define Sunbeam's identity. Their enduring legacy continues to inspire, shaping future generations and reinforcing our unwavering commitment to excellence in education.

"Play is the highest expression of human development in childhood, for it alone is the free expression of what is in a child's soul."

Friedrich Froebel

"The goal of early childhood education should be to activate the child's own natural desire to learn."

Maria Montessori

"Education should be a joyful experience, where children learn with love, not fear."

Gijubhai Badheka

The ideas of these educators have had a profound impact on how we created the Sunbeam Kindergarten Curriculum. Froebel's concept of learning through play and educational toys has guided our hands-on and discovery-based teaching methods. Montessori's focus on putting the child at the center and setting up the right environment helps us to tailor learning and boost independence in our classrooms. Badheka's emphasis on growing and understanding different cultures shapes our current practices. We blend lessons on managing feelings and social skills with celebrating what makes us different. This approach helps kids to grow in their thinking, feelings, and how they interact with others.

Additional Scope :

Furtados -The Joy of Music curriculum:

Agile Kids - unique graded Dance & Creative Movement curriculum

Teacher Foundation's Quality Circle Time curriculum

Membership of **Early Childhood Association**

Round Square, Heroes' Of Discovery*

Jodo Gyan, Math activities for conceptual understanding.

*"By education,
I mean an all-round
drawing out of the
best in the child and
man - body - mind,
and spirit."*

M.K. Gandhi

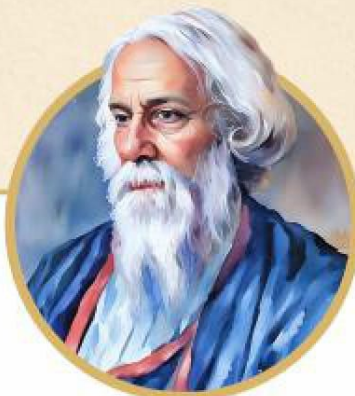

Inspired by Father Of the Nation Mahatma Gandhi's thoughts on education and **Nayi Talim**, We at Sunbeam, promote learning through productive work, self-reliance, and value-based education. Our schools reflect his vision of integrating hands-on, **experiential learning** with a focus on **skill development and character building. Vocational training, and community service activities and immersed Sustainability Development Goals (SDGs)** in the Precept align with Gandhiji's belief in education that develops the "head, heart, and hands, preparing students for both personal growth and societal contribution.

Contributions through:

- **Community Service Projects:** Clean-up drives, adult literacy programs, and healthcare awareness campaigns
- **Vocational Training:** Students engage in various hands-on activities such as organic farming, pottery, and handicrafts.
- **Skill Development Lessons:** Financial literacy, digital competency, design thinking, Artificial Intelligence.

"Music, the drawing of forms, the rhythmic movement of dance, all give the mind, at an early stage, opportunity for harmonious development."

Rabindranath Tagore

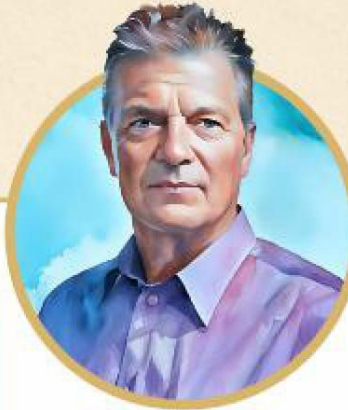

Sunbeam Schools are live experiences of Gurudev Rabindranath Tagore's vision of education that nurtures creativity and self-expression through drama, oratory, arts, music, and dance. These avenues help Sunbeams to explore their inner selves and connect with the world around them. Tagore's vision is reflected in the integration of performing arts, music, and creative expression into the Sunbeam curriculum, fostering emotional intelligence, communication skills, and a love for culture, cultivating artistic and cultural development as part of holistic growth.

Extended Avenues :

- **Focussed Activities**
- **SPIC MACAY Lec-Dems**
- **INTACH Affiliation**

***"Creativity
is as important
as literacy,
and we should treat
it with the same
status."***

Ken Robinson

Sir Ken Robinson's ideas have had an influence on Sunbeam's focus on creativity, personalized learning, and helping different talents grow in education. This has caused a change from strict lesson plans to more flexible, student-focused ways of teaching. We have added Project-Based Learning, Arts Integration, ETM (Education through Monuments)/Applied Education, Financial literacy, Entrepreneurship, and Critical Thinking to our lessons. This lets students explore what interests them. These value additions to encourage creativity has led to greater teamwork and interlinking of subjects thus preparing students for a world that's ever evolving.

*"If you educate a man,
you educate an
individual; but if you
educate a woman, you
educate a family."*

Savitribai Phule

Sunbeam Schools and Colleges embody Savitribai Phule's vision of prioritizing gender equality and diversity. We promote female leadership among students, teachers and support staff, creating environments where women thrive as educators and role models. By focusing on women empowerment, we have not only enhanced academic outcomes but have also fostered a culture of respect and appreciation for diversity. This holistic approach is reshaping the social fabric, encouraging girls to aspire for greatness and challenging traditional norms, in line with Phule's enduring legacy.

Our colleges for women are epitomes of empowerment, nurturing young girls through personal grooming, professional skills, and academics. Our students have excelled as university toppers, sought after working professionals, skilled artists, sportswomen, and even flown Rafale fighter aircraft, showcasing the strength of Sunbeam's vision.

*“Education is the
manifestation
of the perfection
already in man.”*

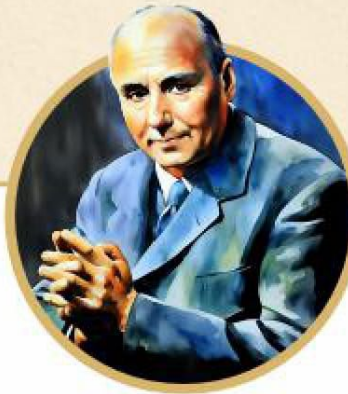

Swami Vivekananda

Sunbeam schools view education as an all-round process which attends to the mind, body, and soul of learners fully. Grounded on these principles, we instil values, encourage critical analysis and creativity, and endorse self-induction and social participation. The curriculum seeks to develop a child's potential by providing support to each child in the enriching environment that suits the child's educational growth through hands-on experiences, cohesion of different subjects and literacy competence, so that children can excel in academics and in life and be ready for the complicated modern life.

Avenues : Theory Of Multiple Intelligence, Bloom's Taxonomy, SDGs, LXL School Cinema, Art Integration, provisions of competency based learnings as envisaged in the NEP are all immersed in Sunbeam Precept in various forms across disciplines.

"There is more in us than we know. If we could be made to see it, perhaps for the rest of our lives we will be unwilling to settle for less."

Kurt Hahn

Kurt Hahn, a well-known educator, put a lot of weight on learning by doing, building character, and teaching outdoors. You can see his ideas at work in Sunbeam's curriculum, which includes learning through adventures, helping others, and teaching good character. Sunbeam Schools use challenging outdoor activities to help students become stronger, work better in teams, and lead others. Projects where students serve their community link them to real-world problems helping them understand others and take on social duties. Hahn's aim to educate the whole person and help them grow still sparks new ways to put students at the centre of learning.

Additional Scope:

Memberships of

- Round Square • AFS • IAYP • Generation Global • British Council's RIDS • Scouts and Guides
- National Cadet Corps

“Developing scientific temper, learning to use technology, and nurturing creativity are key to shaping a knowledgeable and progressive society.”

Dr. APJ Abdul Kalam

Sunbeam school curriculum is centered on cultivating scientific temper and embracing technology to prepare students for an unpredictable future. We are committed to foster curiosity, critical thinking, and a passion for science, encouraging Sunbeams to question, explore, and innovate. Incorporating coding and advanced technology into the curriculum to equip students with the skills needed to thrive in a tech-driven world. Our emphasis is on empowering students to become creators of technology, capable of solving real-world problems. Through hands-on experimentation, science-driven inquiry, and coding, we prepare sunbeams to lead and innovate in a rapidly evolving, technologically advanced future and be leaders of tomorrow's digital age.

Scope:

- Atal Tinkering Labs (ATL)
- Robotics Labs
- Industry Visits and Internships
- Entrepreneurship Clubs and Labs

*"Cultivation of the body
is the foundation of
education, and only
through it can one
achieve true excellence."*

Dr. Bhimrao Ambedkar

Sunbeam Schools have always believed in physical well-being and sports as essential components of education. The Sunbeam Precept has comprehensive physical education programs that promote fitness, teamwork, and discipline, fostering important life skills in students of all ages. With state-of-the-art sporting infrastructure and access to professional coaching, we provide ample opportunities where students can excel in various sports. This holistic approach not only enhances physical fitness but also supports brain development and academic performance. Over the years by nurturing talent and encouraging participation, we have been successfully producing national and international-level sportsmen, demonstrating the vital link between sports and overall student development.

Scope:

- State level competitions
- National & International Sports competitions
- Best sporting infrastructure and coaching

SUNBEAM SCHOOLS AT A GLANCE

- Fully embrace the Curriculum for Excellence, offering diverse, personalized, and broad-based education that adheres to and exceeds NEP recommendations.
- Incorporate all provisions of the NCF Early Years Education and NCF School Education documents.
- Air-conditioned schools and buses for added comfort.
- A happy, busy, and welcoming environment for all students.
- Focus on helping every child reach their full potential in a safe and nurturing atmosphere.
- Encourage students to make decisions, ask questions, and be independent.
- Teachers engage in workshops by world-renowned educationists, staying updated on innovative teaching methods and practices to deliver dynamic, student-focused learning.
- See every event and activity as a learning opportunity for students.
- Provide a stimulating environment for inquisitive and curious minds.
- Promote the well-being of each individual and offers opportunities beyond academics to excel.
- Emphasize inclusion by addressing and overcoming barriers to learning.
- Foster strong, meaningful relationships with parents for collaborative support.
- Maintain an ideal teacher-student ratio for personalized attention.

- Regular Theme-Based Week celebrations to encourage creative engagement.
- Year-round sporting, literary, quizzing, and oratory activities to ensure participation for all.
- Provide specialized coaching for NTSE and other competitive exams.
- Offer French as a third language option for language learning.
- Expertise in Hybrid Learning, Online Learning, and Offline delivery systems.
- International affiliations with prominent organizations of repute.
- Excellent infrastructure and sporting facilities in all schools.
- Sports stadiums, Skating Rinks, Shooting ranges with training support and competition-sized swimming pools.
- Feature state-of-the-art science laboratories and libraries.
- Include multimedia rooms, multipurpose halls, Active Learning Lab, Language and Math Labs, splash pools, sand pools, air-conditioned auditoriums, Tinkering and Robotics Labs.
- CCTV cameras are installed in classrooms, galleries, and hostel areas for security.
- ERP-driven systems to enhance information access and data analysis.
- Ergonomically designed, age-appropriate furniture for student comfort.
- Wi-Fi-enabled campuses for seamless connectivity.

This profile effectively highlights the extensive offerings of Sunbeam Schools and their commitment to comprehensive, inclusive, and dynamic education.

TRANSPORT

- **Air-conditioned Buses:** All school buses are fully air-conditioned for student comfort.
- **Surveillance Cameras and GPS:** Each bus is equipped with surveillance cameras and GPS monitoring to ensure safety and real-time tracking.
- **Comprehensive Coverage:** Buses cater to all prominent localities in and around the school location using GPS-enabled routes.
- **Trained Staff:** Trained and experienced bus drivers and conductors manage transportation services, with dedicated mobile numbers for easy contact.
- **Transport In-Charge:** A dedicated transport in-charge is available for handling queries and resolving any transport-related issues.
- **Student Monitoring:** Surveillance cameras monitor bus behavior and security, while the school admin interacts with students during transit to ensure discipline and safety.

This system ensures both comfort and security for students commuting to and from school.

Sunbeam SCHOOL ANNAPURNA

where perfection is a way of life

SUNBEAM HOSTELS AT A GLANCE

Co-ed Boarding: Outstanding infrastructure with separate wings for boys and girls.

Fully Air-Conditioned: The hostel offers completely air-conditioned accommodations for comfort.

Strong Relationships: Emphasize strong relationships between students, teachers, Dorm-Parents, and school leaders.

Personalized Education: Provide highly-personalized educational experience, including hostel coaching for academic success.

Pastoral Care: Offer well-planned pastoral care and socio-emotional learning opportunities.

Motivated Learning Community: With emphasis on Career Counselling, Personality Development and Newspaper Reading we foster a community of motivated learners and open-minded collaborators.

Excellent College Placement: Successful placements in top institutions in India and abroad.

Experienced Staff: Well-trained and experienced Hostel Parents and Dorm Parents manage the hostel.

Wi-Fi Campus: Full campus-wide Wi-Fi connectivity for all students.

Specialized Coaching: Provide coaching for senior boarders preparing for Engineering, Medical entrance, CUET and CLAT exams.

24/7 Facilities: Continuous power supply, hot/cold running water, and RO drinking water are always available.

Round-the-Clock Security: Ensure safety with 24/7 security and surveillance.

Soft Skill Training: Focus on communication, leadership, teamwork, and problem-solving for future readiness.

Excursions for Boarders: Boarders explore historical, cultural, and recreational sites, including trips to water parks, etc.

Recreation Areas: Common rooms for relaxation and recreation.

Holiday Routines: Well-designed holiday routines to explore students' innate potential. Competitive.

Platforms: Calendarized Inter-Sunbeam Hostel Sports and Parallel Curriculum activities provide additional competitive opportunities.

Computer Resource Centers: Separate hostel computer resource centres for academic needs.

Holistic Well-Being: Regular Yoga, Meditation, and Art of Living classes promote well-being.

Infirmary: Separate infirmary with qualified staff and arrangements with major hospitals for emergencies.

Nutritious Food: Well-researched, seasonally-prepared nutritious food menu.

Mindspark Classes: Math enhancement classes for students until Class X.

Evening Coaching: Special coaching in sports and other Parallel Curriculum activities.

On-Campus Shops: Stationery shop on campus to meet students' day-to-day needs.

Laundry Facilities: Hygienic, on-campus laundry services ensure clean and pressed clothes.

Canteens and Food Courts: Dedicated canteens and food courts for boarders.

State-of-the-Art Facilities: Include air-conditioned auditorium, swimming pools, shooting ranges, gymnasiums etc.

SPECIAL FEATURES OF SUNBEAM HOSTEL MESS MENU

Nutritious Menu: Offers a well-researched veg/non-veg menu designed to provide a balanced diet essential for children's growth.

Balanced Diet: Special attention is given to include milk, butter, eggs, cheese, meat, cereals, and a variety of fresh vegetables and fruits.

Non-Vegetarian Options: Non-vegetarian meals are served three times a week, with cottage cheese (paneer) also featured three times a week.

Regular Egg Servings: Eggs are included in the menu on a regular basis to enhance protein intake.

Milk Availability: Regular milk intake is encouraged, with milk offered twice every day.

Fruit and Juice Servings: Fresh fruits are served every day of the week, and fruit juices are provided once a week.

Chef's and Student's Choice: Special dishes chosen by both the chef and students add variety and excitement to the menu.

Special Diets on Medical Advice: Customized diets are provided based on specific medical advice whenever necessary.

Dining Etiquette: Dining and table etiquette are taught and expected to be followed by all boarders in the dining room, promoting respect and good manners during meals.

This comprehensive approach ensures that the hostel mess menu supports the health and well-being of all students while fostering an environment of good habits and culinary variety.

SUNBEAM HOSTELS

Classes Catered

PHILANTHROPIC ENDEAVOURS

Sunbeam GRAMIN SCHOOL सनबीम ग्रामीण स्कूल

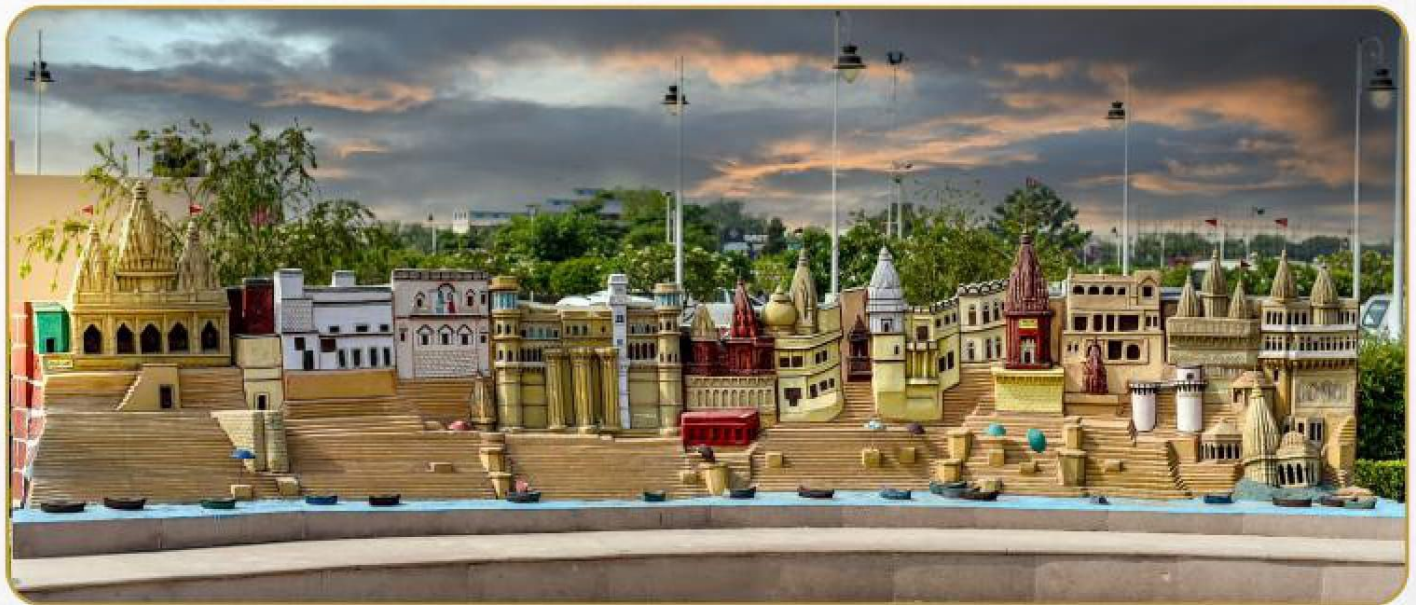

शिक्षा से सशक्तिकरण की ओर

सनबीम समूह, शिक्षा के प्रसार और विकास के प्रति प्रतिबद्ध रहा है। अपने इसी उद्देश्य को पूरा करने के लिए, सन् 2002.03 में अध्यक्ष – डॉ. दीपक मधोक एवं उपाध्यक्षिका श्रीमती मारती मधोक ने 'सनबीम ग्रामीण स्कूल' की स्थापना की, जो नर्सरी से कक्षा 8 तक के बच्चों को निःशुल्क शिक्षा प्रदान कर रहा है एवं समाज के उन उपेक्षित वर्ग तक पहुँच बना रहा है, जो अक्सर मुख्य धारा से दूर रह जाते हैं।

ग्रामीण स्कूल की अपनी शैक्षणिक प्रथाओं के अंतर्गत स्कूल की शिक्षा प्रणाली 'सुसंस्कृत और सुविचारित पाठ्यक्रम' पर आधारित है। यहाँ बच्चों को केवल किताबी ज्ञान नहीं दिया जाता, अपितु उनके मस्तिष्क को नवीन विचारों, प्रश्नों और व्यावहारिक कौशलों से अभिसिंचित किया जाता है।

'अनुभवजन्य शिक्षण' विद्यालय का प्रमुख स्तंभ है, जहाँ छात्रों को केवल पाठ्यपुस्तकों के भीतर सीमित न रखते हुए, उन्हें जीवन के अनुभवों से जोड़कर शिक्षा दी जाती है। कौशल शिक्षा, कला, संगीत एवं नृत्य, खेल-कूद, योग, और ध्यान, ग्रामीण स्कूल के पाठ्यक्रम का अभिन्न अंग हैं।

ग्रामीण स्कूल तकनीकी प्रगति और डिजिटल साक्षरता के इस युग में आधुनिक तकनीक का समुचित उपयोग कर विद्यार्थियों को डिजिटल संसार से भी परिचित कराता है। हमें गर्व है कि आज, ग्रामीण स्कूल के हजारों छात्र-छात्राएँ समाज की मुख्य धारा में सम्मिलित होकर अपना अमूल्य योगदान दे रहे हैं।

Beautification and Maintenance of certain portions of Lal Bahadur Shastri International Airport, Varanasi

Completing the Herculean Task of removing 25 ft. High mounds of silt with our Resources. Sunbeam Group of Educational Institutions gave Asi Ghat in Varanasi its new face.

Under the CSR initiative, our students visit **Kutumb Village**, Babatpur, spreading knowledge and smiles amongst the underprivileged kids of the village. Spreading wrinkled smiles at **Asha Bhawan Old Age Home**, our junior school visit the inmates regularly being their reason of sunshine.

EMPOWERING TEACHERS

"At Sunbeam, we believe that empowering teachers through training and upskilling, fuels the future of education; our success story is a testament to their dedication, training, and exposure."

At Sunbeam, success stems from continuous leadership and teacher training, upskilling, and development. We partner with top global training organizations and experts to consistently refine our educators' capabilities. Our teachers excel in publishing research, presenting at renowned events, and earning global recognition. They demonstrate expertise in both offline and online teaching, mastering flip and hybrid learning techniques. Technology is seamlessly embedded into our teaching process, with data analytics supporting personalized learning for students. Through the prestigious "I am Sunbeam" awards, we honor teachers' achievements, with an esteemed jury of educators from India and abroad providing valuable insights and feedback. Our high retention rate reflects a deep sense of belonging within the Sunbeam family, where long-term commitment and growth are embraced as key values.

WELCOME TO SUNBEAM

ILLUMINATING FUTURES TOGETHER

In this vast universe, we stand united in our mission to empower every student to shine brightly and carve their own path. As we reflect on our place in the cosmos, let us remember the profound words of **Carl Sagan**, inspired by the image of our planet captured from a spacecraft 6 billion kilometers away:

"Look again at that dot.

That's here. That's home. That's us.

*On it, everyone you love, everyone you know, everyone you ever heard of,
every human being who ever was, lived out their lives.*

*The aggregate of our joy and suffering,
thousands of confident religions, ideologies and economic doctrines,
every hunter and forager, every hero and coward,
every creator and destroyer of civilization, every king and peasant,
every young couple in love, every mother and father, hopeful child,
inventor and explorer, every teacher of morals, every corrupt politician,
every 'superstar,' every 'supreme leader,'
every saint and sinner in the history of our species lived there –
on a mote of dust, suspended in a sunbeam."*

Sunbeam Schools

Annapurna
